VINTAGE

Weapon: Ballpoint Splatling
Headgear: Fake Contacts
Clothing: Takoroka Nylon Vintage
Shoes: Orca Hi-Tops

Topics

- Seems to really like spicy food.
- After the tournament, he secretly went to hang up an ema board full of wishes for his team's future.

OMEGA

Weapon: Nautilus 47
Headgear: Fake Contacts
Clothing: w-3 Tee
Shoes: Toni Kensa Black Hi-Tops

Topics

- Seems to be Vintage's childhood friend.
- She's considered recommending her favorite songs from her favorite bands to her teammates, just a little bit.

DOUBLE EGG

Weapon: Light Tetra Dualies
Headgear: Double Egg Shades
Clothing: Custom Painted F-3
Shoes: Amber Sea Slug Hi-Tops

Topics

- He once went with Vintage to a restaurant where he often goes to eat, but had a difficult time due to the spice.

X-BLOOD

Ink Color: Aqua Blue

RED SOLE

Weapon: Bloblobber
Headgear: Squid Clip-Ons
Clothing: Annaki Blue Cuff
Shoes: Navy Red-Soled Wingtips

Topics

- She wants to dress Omega up in cute clothes, but can't seem to get her to come shopping with her.

Team Topics

- When X Rank was created, Vintage apparently called out the top players in the rankings to form a team.

When I sent the X-Blood character list, the Squid Research Lab drew this illustration based on the character settings. The red eyes and hair come from this image.

The cool team emblem was, as always, made by the Squid Research Lab!

Translator's Note:
Shiruko is red bean soup.
